## Lifestyle: What to Expect

The health and safety of our Residents and our Team Members has always been and will continue to be our top priority. We have a dedicated team of professionals that are closely following and monitoring the latest updates from the CDC and our local government.

As we welcome everyone back home and back to the amenity campus, we remain dedicated to the promise and commitment to keep our areas safe and clean for our residents and guests and will need your help to achieve our shared safety goals!

**ILLNESS:** Our Amenity Center has a strict policy regarding team members, service providers and illnesses. To ensure the highest level of precautionary care, if any member our team exhibits symptoms commonly associated with COVID-19, they may not enter the Amenity Center. This is also applicable to residents using the Amenities.

### **MASKS:**

- Team Members: all team members, service providers and vendors are required to wear a mask inside the Amenities.
- Residents and guests: Are required to wear a mask while inside and social distancing guidelines must be followed.

**HAND SANITIZING STATIONS:** We ask all those entering the Amenity Center to sanitize their hands. There is a hand sanitizing wipe station located at the entrance of the building, as well as hand sanitizer readily available in multiple locations in the Amenity Center.

## **SANITATION & DISINFECTING:**

Esplanade Team: will continue to clean all areas of the facility daily, with additional cleaning for high-touch surfaces throughout the day.

Residents and guests are asked to clean tables etc. before and after use to help maintain for others to use.
